

# U.S. Air Force Formal Training Unit Optimization

## Upcoming Public Meetings

The U.S. Air Force is preparing an Environmental Impact Statement (EIS) for the proposed action to beddown fifth generation formal training unit (FTU) aircraft at Langley AFB, VA and/or Eglin AFB, FL.

The purpose of this action includes consolidating fifth generation FTU aircraft to optimize use of existing ramp, hangar, airspace, and range capacity while increasing pilot production and training readiness of U.S. Air Force fighter pilots.

The U.S. Air Force will host a series of public scoping meetings in the project area to allow members of the public to learn about the project and provide written public comments.

### Each public scoping meeting will have the following agenda:

- 5:00 PM to 6:30 PM** Open house and comment submission
- 6:30 PM to 7:00 PM** Air Force presentation
- 7:00 PM to 8:00 PM** Open house and comment submission resumes
